CHAIRMAN'S
MESSAGE

CHAIRMAN'S
MESSAGE

CHAIRMAN'S
MESSAGE

WELCOME TO MANGALMAI WORLD

I am buoyed to see that over the years, Mangalmai Group of Institutions have attained success in leap and bounds in the field of technical and management education. Ever since the inception of the institute, it has been my main focus to give highest priority to the research, innovation and pursue excellence in teaching and learning process for the benefit to the students which of course is sine-qua-non to every higher educational institute. I hereby wish to extend all gratitude to the entire teaching fraternity of the institute who raised confidence upon me and stood by my side to take to the institute to the new heights with their support and endeavor. Nevertheless, the efforts of the teaching family brought NAAC to one of the group institutes which symbolizes itself for having taken the first step towards excellence.

Last year the institute have signed few collaboration agreements with extremely reputed industrial houses and academic institutions as well. This initiative has added additional strength in our academic ambience and created a charge to chase excellence whole heartedly.

I am delighted to see that a team of dedicated and experienced faculty members are toiling hard to take the institute to the next level to be at par with the other top institutions. I express all my wishes to them for their best efforts. I am also very buoyed to see the state-of-the-art campus infrastructure with modern teaching and research facilities adding value in teaching learning in line with the vision and mission of the institute. It is all the more satisfying to see the institute offers career-oriented courses matching the requirements of the industry and society at large at every stage.

I welcome you in the institute and assure you best professional career suitable to your skills and ambitions.

Sh. Atul Mangal
Chairman
Mangalmai Group of Institutions

Warm Greetings from the Mangalmai Group of Institutions!
It gives me immense pleasure in welcoming you to NAAC 'A' Grade Accredited institution, dedicated to changing education to fulfil the needs of all of its stakeholders, particularly the students. We provide opportunities to shine in with pleasant memory, while you are on golden path of success. We provide opportunities to talented and ambitious students, who want to advance in their careers with the knowledge and skills and that will help them take on leadership roles in their chosen fields.

There are new facets and difficulties in the current educational system as a result of the world's rapid changes and growing complexity. The institute has examined a number of factors within its purview to determine whether students are readily employed, placed, and assimilated into the corporate sector in accordance with their preferences. To maintain excellence in our teaching and learning process, Mangalmai offers a variety of long and short-term professional certification certificate programs in all the Management, Engineering, Teacher Education, BBA, BCA, and other disciplines. The institute offers outstanding resources for curricular, cocurricular, and extracurricular activities, in addition to an unmatched dedication to create a learning environment. For the advantage of the students, the institute boasts highly qualified teaching members and an exceptionally extensive library.

Let's work together to create a future that will make your parents, peers, and society as a whole proud of you. Let's embark on this path together, where success is guaranteed. At Mangalmai, your dreams are ours, your aspirations are ours, it is in your victory that we celebrate our success.

Best of luck in all your future endeavors!

Er. Aayush Mangal
Vice Chairman
Mangalmai Group of Institutions

Dear Members of the Mangalmai Group of Institutions,
I am ecstatic to extend a warm welcome to each one of you as we embark on another exciting academic year for pursuing higher education within the esteemed Mangalmai Group of Institutions. It brings me great joy to share some thoughts that I hope will inspire and guide us in the coming year.

It is noteworthy that the Mangalmai Group of Institutions has garnered national and international acclaim over the years, with a significant accreditation from NAAC, predominantly earning an "A" Grade. I am confident that our journey toward excellence will continue, bringing further accolades in the near future. This pursuit aims to leave an indomitable imprint, fostering an environment that encourages intellectual growth, innovation, and personal development.

Our institutions boast a rich history of producing graduates who have made substantial contributions to their fields, communities, and the world at large. As we progress, our commitment to providing a world-class education remains steadfast. We are dedicated to embracing evolving technologies and meeting the diverse needs of our students in Management, Engineering, and Pharmacy alike.

The exceptional faculty members and staff of the Mangalmai Group of Institutions play a pivotal role in supporting our mission. Their dedication strengthens our resolve to optimize resources for the benefit of our students. We encourage all students to actively participate in club activities and extracurricular pursuits, enhancing their overall college experience.

Prerna Mangal

ABOUT MANGALMAY

Having been founded in 2002, the Mangalmay Group of Institutions is a leading NAAC 'A' Grade Accredited institution that has successfully navigated a lengthy educational journey over the years, focusing primarily on innovation, excellence, and developing global leaders for a sustainable future. In order to provide students with a complete educational programme, we integrate knowledge, industry experience, research, and worldwide exposure into our curriculum. We realize that academic excellence alone is not enough to succeed in the modern corporate world. For this reason, holistic development is highly valued at Mangalmay. A supportive environment for the students to develop intellectually, socially, and professionally is created by our cutting-edge facilities, collaborative study areas, and variety of extracurricular activities.

- Adjudged and Ranked 5th for Management by Amar Ujala and IMRB International Education Survey.

Educational Legacy of 22 Years

Mangalmay Group has over two decades of experience in the field of education and it has been offering the students with a one-of-a-kind learning experience. Since its foundation, the Mangalmay Group of Institutions has been devoted to creating an environment conducive to learning and ensuring that our students remain academically and professionally rewarding. We believe that educational institutions must produce industry-ready graduates who can take on corporate challenges in a way that pleases their management while also meeting market demands by upholding ethical standards and creating a cohesive atmosphere in the workplace. Our vision is to blend premium, high-quality education with a global perspective, allowing our students to take confident initial steps towards a future role as global leaders.

MASTER OF BUSINESS ADMINISTRATION

The MBA programme of Mangalmay Institute of Management and Technology (MIMT), affiliated to Dr A. P. J. Abdul Kalam Technical University AKTU (Lucknow), offers a comprehensive and challenging MBA curriculum to ignite the student's managerial skills. The institute adheres to the affiliating university's course curriculum in its absolute letter and spirit. We at MIMT offer dual specializations in Marketing, Finance, Human Resources, International Business, Information Technology and Operations in line with the university's advisories and guidelines. In today's fast-paced and evolving business environment, there is a constant demand for agile managers.

The course curriculum incorporates blended and experiential learning through guest lectures and company visits and many more value-added courses to the benefit of the students and faculty fraternity as well. Business simulation and case studies are core pedagogies in the classrooms. Mangalmay Institute of Management and Technology (MIMT) has a very strong network with the industry for internships, live projects and placements.

DUAL SPECIALIZATIONS IN-

- Marketing
- Finance
- Human Resources
- International Business
- Information Technology
- Operations

Eligibility:

The candidate must have passed Graduation (under the 10+2+3 scheme) with a minimum of 50% marks in any discipline from a Recognized University. Those appearing in their qualifying examination or awaiting results may apply provisionally, however, their admission will be subject to their passing the qualifying examination.

SUCCESS COMES TO THOSE WHO ACT

-Pt. Jawahar Lal Nehru

eligibility

KEY DIFFERENTIATORS

- Contemporary curriculum to instil knowledge through presentations and group discussions.
- Experienced faculty comprising highly qualified policymakers, managers, academicians and administrators.
- Knowledge-Skill-Attitude (KSA) framework for climbing the professional ladder.
- Industrial tie-ups and collaborations.
- Advanced flexible curriculum to enable students to select their own major.
- Weekly mentor-mentee sessions.
- Software Skills for managing their specialized area in the 21st century.
- Intensive Industry Interaction with corporate leaders and management gurus.

VALUE ADDITION

- Industry desired workshops on Digital Marketing, Business Analytics, Stock Market Operations, Life Skills, Creativity and Innovation, and Leadership to make students industry ready.
- Opportunity to work on live projects/mini projects.
- Case-based teaching using real-life scenarios.
- Professional enhancement through career development courses.
- Sports and cultural exposure for holistic development of students.
- Hands-on training to shape their analytical bent of mind.

Redefine your horizons with us!

Welcome to MIMT, where a transformative journey awaits you on the path to managerial mastery. Our MBA++ program is meticulously crafted to empower individuals like you to excel in the dynamic and ever-evolving landscape of global business. MIMT has made MBA++ one of its hallmark programs. The institute is affiliated to the Lucknow-based Dr. A. P. J. Abdul Kalam Technical University (AKTU). MBA++ circumspcctly inculcates a sense of future entrepreneurs to contribute their bit in the national growth and development. Much to the buoyance, IIM(B) has consented their certification of competitive advantage under our agreed collaboration with them.

A Distinctive Learning Experience:

At MIMT, we believe in the synergy of academic rigor and practical wisdom. Our distinguished faculty, comprising seasoned academics and industry experts, is dedicated to cultivate a learning environment that fosters critical thinking, strategic decision-making, and innovative problem-solving.

Curriculum Designed for Success:

With a focus on developing advanced skills essential for leadership roles, our MBA++ programme is carefully designed to offer a thorough understanding of business basics. Our programme gives you a well-rounded skill set to succeed in the cutthroat global marketplace, from foundational courses in finance, marketing, and operations to specialised electives and certification programmes, in line with the industry trends. The curriculum emphasizes virtual learning, which is essentially in line with reality and equips students with skills and information needed to succeed in the workplace.

State-of-the-Art Facilities:

Experience learning in an environment where innovation thrives. Our campus boasts cutting-edge facilities, including technologically advanced classrooms, a well-equipped library, and collaborative spaces designed to inspire creativity and collaboration.

Experiential Learning Opportunities:

Seize the chance to apply theoretical knowledge in real-world scenarios through internships, case studies, and collaborative projects. Our emphasis on experiential learning ensures that you not only grasp concepts in the classroom but also gain practical insights that set you apart in the professional arena.

YOUR GATEWAY TO SUCCESS

BTECH

BACHELOR OF TECHNOLOGY

Mangalmai Institute of Engineering & Technology (MIET) offers four-year full-time B. Tech programme in Computer Science Engineering (CSE). Under its aegis, there are predominantly two programmes which are as under:

CSE - Artificial Intelligence (AI) and CSE - Data Science (DS)

Both the programmes are duly approved by All India Council for Technical Education (AICTE), Ministry of Education, and Government of India, affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. Though the course structure and syllabus of both the programmes are designed and structured by AKTU - Lucknow (UP) yet MIET follows a well proven diversified pedagogy of sharing knowledge with the students. MIET is enriched with experienced, dedicated, and knowledgeable faculty members who are always ready to toil hard for the benefit of the students.

The institute has state-of-the-art infrastructure with an excellent facility to create an ambience of teaching and learning. MIET provides the best platform for students to excel their knowledge in their respective domain of Computer Science & Engineering. The institute in its endeavor to follow the norms of NEP 2020 and offer multidisciplinary education at the most possible extent. The institute allows students to select subjects which they like to study apart from the core subjects to fulfill the aforementioned norms of NEP 2020. They can even select subjects from different disciplines as per the curriculum provided by the university. Over the years, MIET has been adjudged as one of the best and excellent innovation centers to prove creativity to the benefits of faculty members and students as well. The MIET imparts world-class training and research and also promotes active industry-academia collaboration by identifying areas of interest of the students. Thereafter, initiatives are taken and opportunities are provided to take part in sponsored research projects and consultancy services. The MIET has the collaboration with IBM, IIT Kanpur, Future-Zen group, ICT Academy, UiPath, GTT Foundation, C# Corner etc. The curriculum connects pertaining to different areas integrating engineering, mathematics and science with humanities and entrepreneurship as well as focuses on building a range of life skills essential for a successful career.

The MIET follows Dr. A.P.J. Abdul Kalam Technical University, Lucknow based curriculum with an innovative approach enabling students to enjoy freedom to choose from various options available and explore their talent to fulfill their professional ambitions. The MIET organizes regular interaction with the industry and provides specially designed courses, modules, conducted workshops, seminars, field projects, internships, and educational tours for the benefit of the students. The MIET uses research-driven education system to teach students.

EDUCATION IS NOT PREPARATION FOR LIFE; EDUCATION IS LIFE ITSELF.

-John Dewey

eligibility

Eligibility:

The candidate must have passed (without grace) Intermediate (10+2 Level) Examination or its equivalent from any Recognized Board, securing minimum 60% marks in aggregate in the required subjects with a combination of two Compulsory Subjects- Physics & Mathematics and one optional subject of Chemistry/Biotechnology/Biology and UPSEE/JEE Mains Qualified.

HIGHLIGHTS

MIET Highlights:

- Among the best engineering colleges in the DELHI/NCR Region.
- The Industry Oriented Program has been designed so that students will begin to feel and think like engineers on day one and that caters to the needs of Industry 4.0
- Academic and research excellence through highly qualified and experienced faculty.
- Regular Industry Interaction through Industrial Visits, Workshop, Seminar, Guest Lectures and Conferences.
- Campus Placement & Corporate Training activities towards development of employability skills and Business Awareness.
- Bridging the gap between Industry and Academia via conducting regular sessions by Industry experts.
- Opportunity to earn professional skills certificates provided by industry partner IBM, IIT Kanpur, Future-Zen group, Farelabs, ICT Academy and UiPath etc.

B.Tech. - CSE

The 4-year B.Tech. CSE Programmes in Computer Engineering, is offered by the Department of Computer Science and Engineering. It focuses on Software engineering, algorithm analysis & design, operating systems, computer graphics, database and information systems engineering, and networking technologies. High Performance Computing, Computer Animation and Gaming, Machine Learning and Data Analytics, Information and Cyber Security, Software Engineering and IoT are just a few of the cutting-edge technologies that the department exposes to our students.

Major highlights

- Young, enthusiastic, and committed faculty, the majority is with highest qualification as Ph.D.
- More than 100 projects of computer engineering, such as machine learning, data mining, cloud computing and IoT, have come from the department in past few years.

CSE – DS

This programme is a 4-year undergraduate programme in Computer Science Engineering with a specialization in Data Science. The aim is to understand the fundamental concepts of Computer Science Engineering with specialized engineering knowledge in the areas of Data Science. It will develop the ability to build and assess data-based models and will execute statistical analyses with professional statistical software.

CSE – AI

This programme is a 4-year undergraduate programme in Computer Science and Engineering with a specialization in Artificial Intelligence (AI). It provides students with a sound knowledge of Artificial Intelligence principles and applications in scientific and engineering domains with an ability to analyse complex engineering problems and generate solutions through AI. Students will also get to know how to apply appropriate techniques and modern engineering hardware and software tools for the design and integration of computer systems and related technologies, also to engage in lifelong learning for the advancement of technology and its adaptation in multi-disciplinary environments.

**B.Tech. - Lateral Entry- 2nd year
(All Branches)
Mentioned above**

FUTURISTIC LEARNING

With a quality combination of world-class faculty, state of art infrastructure, industry-relevant curriculum, academic collaborations, internships, and placements, the B.Tech. course has led its way to make Mangalmay Institute of Engineering & Technology the best college for a B.Tech degree. A student will be able to work in multi disciplinary domains, formulate and solve engineering problems, design and evaluate solutions, algorithms, and protocols after successfully finishing the course. The syllabus has a strong focus on digital transformation technologies that help students to develop their understanding of arithmetic and algorithms. The courses run by the Department use a mixed techniques of interactive lectures, tutorials, laboratory work, guided case studies, literature surveys and project work that require teamwork, critical and creative thinking. Department also supports Research and Development activities for students. Department promotes students to work on Innovative ideas through various events like ideathon/hackathon etc.

BCA

PROGRAMME

BACHELOR OF COMPUTER APPLICATION

Bachelor in Computer Application at Mangalmai Institute of Management and Technology is one of the popular options to make a career in Information Technology. The program imparts comprehensive knowledge with equal emphasis on theory and practice in the field of Information Technology. A BCA graduate would be able to demonstrate advanced skills in the effective analysis, design and realization of business systems utilizing contemporary Information Technology. The broad objective of the program is to provide sound academic base from which an advanced career in Computer Applications can be developed. Conceptual grounding in computer age as well as its practical business application will be provided making candidates suitable for IT sector entry-level jobs. It is an undergraduate academic degree in Computer Application.

The duration of this program is Three years. This program provides a sound academic base for an advanced career in Computer Application. Since this is a graduation course hence eligibility criteria is 10+2. This program demonstrates sound knowledge in key areas of computer science or industrial computing. It also carries out the required analysis and synthesis involved in Computer Systems, Information Systems, and Computer Applications. Students with a budding interest in Computer Science and Technology are invited by MIMT to pursue a career in Computer Technology.

Value Added Modules

BCA Department always strive to enhance the employability skills and soft skills of the students. We offer value-added modules from the commencement of the 1st semester to 6th semester inline with the university course curriculum. We have designed a comprehensive module that extensively works on students' Technical Competencies & Grooming, Communication Etiquettes, Personality Development, and Soft Skills. We run several modules which are spreaded across the course as:

- Introduction of Data Science, Artificial Intelligence, & Machine Learning
- Blockchain and Applications
- Big Data Analytics and its Applications
- Full Stack Development
- Amazon Web Services (AWS)
- Internet of Things (IoT)
- Introduction to Cloud Computing & its Application
- Introduction to Python Programming
- Hardware, Assembly & Networking

SCHOOL OF EDUCATION

Manglmay Institute of Management & Technology, Greater Noida, a NAAC accredited institution awarded with the prestigious 'CCLA Indian Education Leadership Award' offers a full-time two years Undergraduate Programme of Bachelor of Education (B.Ed.) and four-year integrated B.A.B.Ed. UG program. Both the programs are duly approved by National Council for Teacher Education (NCTE), Govt. of India, and affiliated to Chaudhary Charan Singh University, Meerut.

The Department of Education at Manglmay Institution strives to prepare professional with ethical edge to exhibit excellence in their classrooms and workplace. The stellar performance of our previous batch speaks volumes of our quality with the entire batch getting selected in CTET & SUPER TET. We are also planning to launch Technopreneurship - a unique initiative in the education startup domain at our incubation centre. At Manglmay institute of management & Technology, we strive to shape self motivated & technologically competent teachers in the contemporary digital era who would be intellectually competent, morally upright, socially committed and technologically skilled.

B.Ed.
D.El.Ed
B.A.B.Ed.

Career Scope:

It is quite evident that B.Ed. & B.A.B.Ed. Programs offer an excellent career path. These programs enable the students to get employment opportunities in various government/government-aided institutions as well as in private schools as TGT & PGT.

The students can pursue M.Ed. after completing BA, B.Ed. & B.Ed. degree to join Teacher Education Institutes as Assistant professor.

Eligibility:

B.A.B.Ed.: Pass with 50% aggregate marks in Senior Secondary or 10+2 or equivalent. (5% relaxation for SC/ST/OBC applicants)

B.Ed.: The candidate must have passed Graduation or Post Graduation Degree in Arts, Science & Humanities with minimum 50% marks. Bachelor of Engineering & Technology having specialization in Science or Maths with minimum 55% marks from any recognized university. (Relaxation in marks as per the state/central govt. policy)

Distinct features of B.Ed. & B. A. B. Ed. Programs offered at MIMT

- Highly qualified and experienced faculty.
- Outstanding University Result
- CTET and State TETs coaching given to students.
- NET coaching is provided to Post Graduate Students.
- Excellent Placements and Results.
- **Skill Enhancement Classes:**
 - Regular Personality Development classes for students to make them well groomed teachers.
 - English Communication classes.
- Internship in Reputed Schools
- Digital Library with large number of Books, Journals, Magazines etc.

Bachelor of Education Programme (B.Ed.)

B.Ed. is a two years Professional Degree course designed to train the would-be teachers in various subjects for Secondary/Senior Secondary schools. Bachelor of Education Program is duly approved by National Council for Teacher Education (NCTE), Govt. of India and affiliated to C.C.S. University, Meerut.

Integrated B.A.B.Ed Programme (B,A,B.Ed.)

It is preferable to pursue an integrated B.A.B.Ed. programme rather than a B.A. programme only. Integrated B.A.B.Ed. is a four-year undergraduate programme that offers a dual degree. This is an integrated curriculum in which students can save one year by completing a B.A. degree in addition to a B.Ed. degree.

The four year B.A B.Ed is an integrated course of B.A. and B.Ed. wherein the basic objective is to prepare quality middle and secondary school teachers in Languages and Social Science.

Admission Procedure:

For B.Ed. programme, admissions to the course are done through Combined Entrance Examination and Counseling conducted by Government of Uttar Pradesh.

Course Fee :

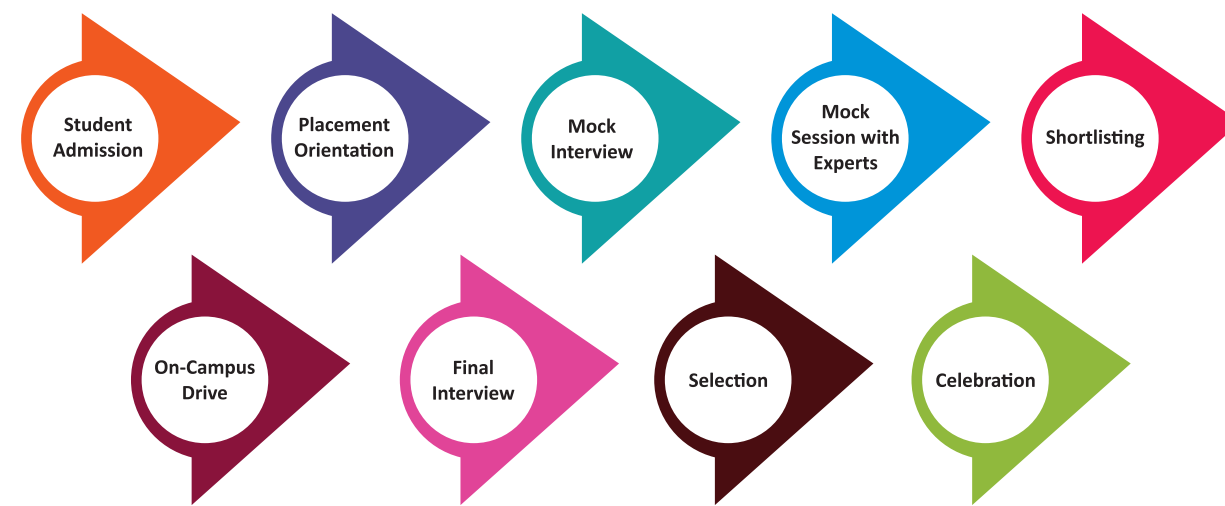

Fees Type	1 st Year	2 nd Year	3 rd Year	4 th Year
Tuition Fees	Rs. 25,000/-	Rs. 25,000/-	Rs. 25,000/-	Rs. 25,000/-

CORPORATE SPEAKS

Mr. Parikshit Kochar
Head HR - Byju's

It was an absolute pleasure to come to your college and meet your students. We are very impressed with the sharp & bright students that we met. Looking forward for fruitful association in coming years again.

Ms. Madhu Bujoo
Grapecity India

Mangalmay Institutions is not just an institution, it's an epitome of knowledge association. Hard working students with best quality education imparted to them. Wish Mangalmay good luck for future endeavors. Overall good experience. Thanks for inviting!

Mr Pankaj Munjal
MD, Hero Motors

Vibrant students, faculty as mentors, state-of-the-art infrastructure, dedicated library and multi-user computer labs. All add to the academic ambience and ethos of the campus. My good wishes to Mangalmay.

Ms. Priya Singh
HR Specialist - Regalo Kitchen

The course modules are quite impressive and allow the development of creative and innovative business thinking. Best team at Mangalmay. Good luck for the future.

Ms. Sonam Goel
Human Resource-Sr. Associate

Groom/ nurture / bright talent and keep up the good work going. Energy, Exuberance, Enthusiasm that's what it is. Impressed with the quality of students and their enthusiasm...good number of eligible candidates for the profile. Thanks.

Mr. Naveen Kumar
HR, OPPO Mobiles India Pvt Ltd

The institution has a good talent pool of fresh minds that have been trained to become industry high focus on

technical capability as well as soft skills of students. Thanks for inviting. Hope this professional bond continues longer.

Ms. Adyasha Sahu
HR - Talent Acquisition, IBM Global Ltd

It is a pleasure being at Mangalmay, the humbleness & hospitality received is amazing. I wish the Institute all the very best. We are thankful to the entire team of Mangalmay for conducting campus drive; availability and quality of students was best and supportive admin staff. Thanks for a wonderful experience.

Ms Ishita Mahajan
Head HR - Learning Routs Pvt Ltd

It is a pleasure to see this Institution emerging as a learning leader in Greater Noida. I am happy to see the high level of commitment and credentials of the students. The Institution has modern infrastructure, equipped with an impressive Workshop, Labs and Library. Always we get a good number of selects. Thanks Team! Hospitality at the best!

Mr Tarun Mehrotra
HR, Amazon India

It has always been a pleasure to visit Mangalmay. We appreciate the hard work the institution takes in grooming and creating future business leaders who are passionate, competent, and ready to take any challenge ahead.

Mr. Bhupinder Singh
Nayar- Talent Acquisition Lead - Genpact

After our interactions with students, we perceived a distinct curious and creative bent of mind among them. Contemporary and classic domain knowledge seemed to have laid a strong base, fuelling their ambitions and a passion for excellence. Impressive performance by the students.

MANGALMAY INCUBATION & ENTREPRENEURSHIP FOUNDATION (MIEF)

Objectives of MIMT-IIC

- To create a vibrant local innovation environment.
- Centre for Start-up support.
- Nurturing ideas and Pre-incubation of Ideas.
- Develop better Cognitive Ability for Engineering Students.

Successful Startups Mentored

INNOVATIONS STARTUPS ENTREPRENEUR

Mangalmay Incubation & Entrepreneurship Foundation (MIEF) is established with an aim to promote innovation and be a stepping stone for upcoming entrepreneurship enthusiasts. MIEF's vision is to develop an innovative incubation centre that fosters dynamic needs of the Entrepreneurs, Students and Women-led Startups not only in UP and NCR but across India through its 'Virtual Incubation Programs'.

aspire

Our Values

- A** = Agile- we strive towards Developing a leadership for future with agility to outperform any task.
- S** = Socially Sensitive professional who looks at societal problems with a perspective of offering solutions to it.
- P** = Participative in the process of societal upliftment, development and nation building
- I** = Independence (Atma Nirbhar) in developing self-reliant India and mindset
- R** = Responsible of our actions and takes the responsibility of giving it back to society.
- E** = Entrepreneur having vision to offer solution, support and enabling an ecosystem of atma nirbhar.

Institution's Innovation Council (Ministry of Education Initiative)

Initiative of Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)

- **To systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs).**
- **The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas while they are in formative years.**

MIC has envisioned creation of 'institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multidinous modes leading to an innovation promotion eco-system in these campuses.

ALUMNI SPEAKS

It was a beautiful journey of my study at MANGALMAY. I feel proud to be a part of this college. It was an accomplishing experience to get placed after various attempts. I am feeling proud to have campus placement. It only became possible due to the efforts made by the college CRD Department, which acts as an interface between the students and the various organizations I owe a lot to my college both professionally and personally.

Saurabh Kumar
Centilytics Pvt. Ltd.
B.TECH

It has always been a good place to support the students in the development of their overall personality. All thanks to CRD for making my path clear towards my goal and helping me to touch heights for making me a "True Professional". The complete ensemble, including the faculty, infrastructure, co-curricular activities, industry interface, placement assistance and the soft skill training contributed to make me "Future Ready". My journey was enormous. Thanks.

Abhishek Gupta
Flipkart India Pvt Ltd
MBA

Taking admission in Mangalmay was the best move I made in my life. It not only gave me career mentors but career guardians. After having certain work experience, I wanted to gain the knowledge that school provides for career growth. I got the placement in the final year and I am working with a well renowned company as market leader in its segment all because of the CRD team for helping and pushing me beyond my limits.

Alka Kumari
Bandhan Bank
MBA

Personally thank MANGALMAY faculties and CRD Placement cell for putting in all the efforts to groom me and making me a corporate professional. MIET is a place of learning with many more such life preaching activities and added value to my life. It gave me more opportunity to present myself in front of others and I had learned a number of things from my college life.

Ashutosh Mishra
HDFC AMC
B.TECH CSE

Mangalmay is an institution where the emphasis is given on overall development of the student with much priority to academics, personality development and placement training activities so that its graduates can lead the world. Thanks, Mangalmay.

Sudhanshu Ranjan
Learning Routs Pvt. Ltd.
BBA - P

It is a privilege for me that I got placed through my Mangalmay and now I am working in a wonderful organization to focus myself on being an industry professional in order to build my future. It gives me immense pleasure to thank all the teachers, staff and CRD department for all the skills, confidence and enlightenment that made me achieve this opportunity with ease.

Mansi Rawat
